

Tuna Casserole

8 ounces shell noodles
1/2 cup Miracle Whip
1/2 cup milk
10 3/4 ounce can cream of mushroom
1 teaspoon garlic powder
1 teaspoon pepper
5 ounce can chunk light tuna in water

Preheat the oven to 400 degrees.

Boil the noodles in salted water until cooked al dente. While the noodles are boiling, prepare the sauce. In a large bowl, combine the Miracle Whip, milk, cream of mushroom, garlic powder, pepper, and tuna. When the pasta is done, drain it, add it back to the pan, and pour the sauce on top. Stir until heated through. If you want a crispy top, bake it in a greased dish for about 15 minutes until bubbling. Let cool slightly before serving.
